***ABSTRACT***

*The basic human needs can't be fulfilled only by relying on one financial source since it very complicated. Regarding this fact, Bank Rakyat Indonesia (BRI) provide credit facilities, which one of them called BRIGUNA credit based on SE Direksi No. 10-DIR/ADK/05/2015, that given to the staff who has fixed income in BRI. The problem that may arise related to this are how the implementation of this contract and legal protection for creditors if the debtor defaults.*

*Keywords: defaults, legal protection*
